Hello Mr. Ortiz,

I have been on travel and have not had the chance to send this email until now (my apologies).
The following entities are of interest:

- Haystack Mountain Development Company
- The Atchison, Topeka and Santa Fe Railway Company
- BNSF Railway Company
- Cerrillos Land Company
- Santa Fe Pacific Railroad Company
- Santa Fe Pacific Gold Corporation

Current research seems to indicate there are two successor corporations at work here. Please recall that I would like to have access to the entire files as I never know what may be of value until I review such files.

Please contact me with any questions. I sincerely appreciate your time. I would like to visit next week if possible.

Steve
